Each FT Unit shall consist of: i) one flow-through common share; ii) one half of one transferable non-flow-through share purchase warrant, with each whole such warrant exercisable into one common share of the Company for three years from closing date at a price of \$0.45; and iii) one half of one transferable non-flow-through share purchase warrant, with each whole such warrant exercisable into one common share of the Company for three years from closing date at a price of \$1.00.

Each Common Share Unit shall consist of: i) one non flow-through common share; ii) one half of one transferable non-flow-through share purchase warrant, with each whole such warrant exercisable into one common share of the Company for three years from closing date at a price of \$0.45; and iii) one half of one transferable non-flow-through share purchase warrant, with each whole such warrant exercisable into one common share of the Company for three years from closing date at a price of \$1.00.

The Company has agreed to grant the Agent an over allotment option to cover potential over subscription of the Offering for 1,850,000 additional FT Units and 300,000 additional Common Share Units on the same terms.

As consideration for acting as Agent, the Company has agreed to pay a commission of 7.0 percent of the total proceeds raised in the Offering upon closing, payable in cash, Common Share Units or a combination thereof, at the election of the Agent. In addition, the Agent will receive Agent’s options (the “Agent’s Options”) in an amount equal to 10.0 percent of the aggregate FT Units and Common Share Units sold pursuant to the Offering. Each Agent’s Option is exercisable at \$0.45 into one common share of the company for two years from the closing date.

The private placements are subject to TSX Venture Exchange acceptance for filing. All securities issued pursuant to the Offering will be subject to a four month hold period from the date of closing.

The proceeds from this offering will be used for exploration on the Company’s eastern and central parts of its property in Raglan, Quebec.
